

## Pupil Premium statement

Pupil Premium is an additional annual payment to schools for each 'disadvantaged' child that attends their school. The definition of a disadvantaged student is any student who has received free school meals in the last six years. This funding is given in recognition of the fact that, nationally, disadvantaged children do not perform as well as their non-disadvantaged peers.

Dartford Primary Academy has a percentage of 20.37% students which are defined as disadvantaged. We are all working hard to ensure that whether your child is eligible for Pupil Premium or not there should not be any difference in their rates of progress or attainment.

The main barriers that disadvantaged students at Dartford Primary Academy face are outlined below:

- English as an Additional Language
- Special Educational Needs
- Low levels of stability and a large number of students joining the school part way through the academic year or key stage
- Overcrowded housing
- Lack of cultural capital
- Lack of Higher Education amongst parents
- Low levels of parental literacy

## Provision

Dartford Primary Academy received £176,308 for the academic year of 2017-18. The funding provided to Dartford Primary Academy is a major part of our provision and we use it to ensure that we can offer the best possible opportunities to our students. We do this by separating our funding into two key areas; raising achievement and promoting a holistic approach; to be ready to learn.

As we constantly seek to improve our provision for all students. Some of the approaches that were used during the academic year of 2016-17 will not be rolled over to 2017-18, however the successful ones will be continued.

<b>Pupil Premium allocation</b>	<b>Expected Impact</b>	<b>Monitoring of impact</b>
