

Dear Parent/Carer

### **Forced Closure - Supporting Behaviour at Home**

As you know we have recently promoted our Green to Go behaviour alongside our IB learner profiles. We are also planning for our forced closure and would like to try and keep children as engaged as possible and to also help you at home keep children on track.

To this end, we would like your support in awarding your child their ClassDojo points. This helps maintain a sense of community and keeps our expectations in your child's mind.

#### **How to support positive behaviour:**

- Go to our School Story on ClassDojo to see our Green to Go behaviour chart & our ClassDojo points. Share this with your child.
- Encourage your child to put on their school jumper/ cardigan each morning. This can help keep their routine and realise that there is an expectation for them to continue learning.
- Put snacks and drinks out at the beginning of the day for children to choose from, but once the snacks are gone... they are gone.
- Upload regular posts to ClassDojo so that teachers can award Dojo points for children showing the IB Learner Profile attributes.
- A ClassDojo story post, similar to the example below, will ask you to like the post if your child has been principled all day and followed our Green to Go behaviour system. Please like the post before 3.30pm each day.

Example post you may see:

"Like this if your child has been principled all day and followed our green to go system. Please check the School story if you need a reminder of what being principled looks like! Don't forget to check in on Friday to see who is the class Dojo champion."

Thank you for your continued support.

Yours sincerely,

Mr D Filsell  
Assistant Principal
